

# IPMI by UCB AFRICA

- ◆ Designing and managing international health insurance contracts for **people living abroad requires experts. At UCB Africa, we have developed a unique expertise to protect your most precious asset, your health and that of your loved ones or your staff.**

## In-depth knowledge of international health challenges

- ◆ At UCB Africa, we do health, travel, income protection, and medical insurance. This expertise defines us and gives us **an unparalleled level of knowledge in terms of the insurance/regulatory/medical challenges faced by people living abroad.**

If protecting your health in your home country can sometimes be complicated, **the difficulties are even more significant at an international level**, in particular due to the different social protection systems in place but also due to the sharp inflation in healthcare costs

## You are in safe hands with our experts

By entrusting UCB Africa with your health and that of your family or staff, we guarantee that you will be taken care of by professionals in international health insurance who possess **a unique expertise in understanding your needs and managing your contracts.**

- ◆ We design our own products and our own teams manage our solutions end-to-end. Contracts, reimbursements, customer contacts, care etc.  
**UCB Africa is present throughout the whole duration of your contract**  
We are there at all times, especially when it matters most.

### With UCB Africa, you benefit from:

- ◆ Our **partnerships** with the biggest international insurers,
- ◆ **Global servicing of your membership** with local and international languages, expert advisors present at crucial moments  
24 hours a day, 7 days a week
- ◆ A **network of health professionals present in 140 countries** to benefit from quality healthcare and direct settlement payment facilities
- ◆ **International medical services** (remote consultation, personalized patient follow-up, second medical opinion etc.).
